

Dear parents,

To commemorate fifth grade, we are putting together DVD's and memory books. The DVD's will contain individual pictures of each student (a baby photo and a current photo), as well as 10 pictures from each class. The memory book will be around 35 pages and will contain some input from each student, letters from each teacher, as well as class portraits.

To order, please complete and return the order form below with payment (checks made to MVE PTA), by Monday, April 15th.

Thank you,
